

n.9 **BE CURLY** MASK

ACTION

is indicated for permed, curly and/or natural wavy hair.

The high concentration of Rice Bran Oil provides emollient, hydrating, anti-inflammatory, anti-radical and strengthening properties thanks also to the presence of Gamma Oryzanol, which also act as a natural sun filter. Moreover, the addition of special active ingredients defines the curve of the curl, banishing any undesirable frizz.

HOW TO USE

Apply to damp hair (washed and towel-dried from excess water), massage in for 3-5 minutes, comb through and then rinse thoroughly.

AROMATHERAPY

Energizing, tonifying, stimulating effect.

OLFACTIVE DESCRIPTION

Head Notes: fruity, green, citrusy

Heart Notes: flowery, fruity

Background Notes: musky, woody
