

n.5 BE SMOOTH SHAMPOO

ACTION

is indicated for straight, unruly, frizzy hair and also after any straightening treatment.

The high concentration of Rice Bran Oil provides emollient, hydrating, anti-inflammatory, anti-radical and strengthening properties owing to the presence of Gamma Oryzanol, which also act as a natural sun filter.

The addition of a combination of specific active ingredients reduces the volume of the hair, maintaining a perfect smoothness at each wash.

HOW TO USE

Apply to wet hair, massage gently and rinse out.

Proceed with a second application if necessary.

For a better result, we suggest to complete the treatment with Be Smooth mask.

AROMATHERAPY

Fortifying, relaxing, soothing effect.
