

**ACTION**

Protective and emollient Serum

Protective and emollient Rice Bran Oil serum, ideal for curly and frizzy hair.

It defines the curl of the ringlet without stiffening the hair.

The addition of Vegetable Glycerin makes frizzy, dull hair very hydrated and shiny.

Special film-forming active ingredients envelop the hair fibre, guaranteeing the undulation of curly hair, both natural and permed, by activating the memory effect.

**HOW TO USE**

Distribuire sui capelli umidi e procedere con l'utilizzo di asciugacapelli e/o diffusore e/o ferro arricciacapelli.
