

n.3 PLUMP & NOURISHING SHAMPOO

ACTION

is a shampoo specifically developed to reconstruct the hair stressed and damaged by previous treatments and bad habits.

The high concentration of Rice Bran Oil provides emollient, hydrating, anti-inflammatory, anti-radical and strenghtening properties thanks also to the presence of Gamma Oryzanol, which acts as a natural sun filter.

The addition of Keratin in the formulation has a filling, plumping effect on the porous areas of the hair. It penetrates into the cuticle, giving a plump, shiny appearance.

HOW TO USE

Apply to damp hair (washed and towel-dried from excess water), massage in for 3-5 minutes, comb through and then rinse thoroughly. For a better result, we suggest to complete the treatment with Plump & Nourishing Rebuilder.

AROMATHERAPY

Tonifying, stimulating, reinforcing effect.
