

TIMELESS HAIR COLOR CREAM **TEN MINUTES ONLY**

ACTION

VEGAN and CRUELTY FREE formula without parabens, paraffine, silicones and polyoxyethylenated compound.

The natural color is totally revived appearing shinier and richer in highlights, it provides a perfect coverage of white hair with only **10 minutes** of laying time, without any loss of skin care and well-being

Thanks to the innovative **DERMO-PROTECTIVE ENZYMATIC CONTROL** patent within the formula, it can be used even by the most sensitive hair without unpleasant effects or skin conditions ; the protective action is activated only in the case of wrong contact of the dye with the skin, while it remains inactive when not. Improving the result, maintaining the pH balance of the dye mixture and coloring the hair with the best brilliant and intensive result.

BENEFITS

It performs a protective , nutritive and recovering function for the scalp and the hair. It makes the hair soft and moisturise from the first application.
