

pH BALANCE

4.5 - 5.5

ACTION

Water-based fixing wax with a MATT effect, offering medium-strong hold.

Perfect for those seeking precise yet versatile definition without stiffening or sticking the hair.

Its creamy, highly moldable texture allows for a matt-look finish and versatile styling, combining performance with hair care.

BENEFIT

The formula is enriched with Baobab Oil, which nourishes, regenerates, and combats frizz with restructuring, emollient, and antioxidant properties.

Carnauba and Beeswax provide flexibility, definition, protection, and hydration.

Clay (Kaolin) and Zeolite ensure a natural matt finish, dry to the touch and long-lasting.

The citrus and floral fragrance offers a fresh, light sensory experience.

Easily rinsed out with water.

Provides anti-humidity protection.

Leaves no residue.

***Appearance:** beige matt paste ***Hold:** medium-strong. ***Finish:** natural matt effect «Matt Look». ***Fragrance:** fresh citrus with floral notes. *

Active Ingredients: - Baobab Oil restructuring, emollient, antioxidant action. - Beeswax and Carnauba Wax protective, shaping, and film-forming action.
