

pH BALANCE

5 - 6

ACTION

Water-soluble fixing wax with a **glossy effect**, medium-strong hold, perfect for defining each strand and creating natural or structured looks without weighing the hair down. Its moisturizing texture allows for an even application and easy styling, leaving no residue.

BENEFIT

Contains: vegetable glycerin and mallow extract, which protect and moisturize the hair, while citrus essential oils provide a gentle refreshing action and a fresh, enveloping fragrance.

Easily removed with a simple rinse.

It has anti-humidity properties.

Ideal for definition and natural glossy-effect styling.

***Appearance:** transparent wax. ***Hold:** medium-strong, reworkable. ***Finish:** natural glossy effect. ***Fragrance:** fresh citrus with floral and slightly balsamic notes. ***Active ingredients:** Mallow extract emollient and moisturizing action. Vegetable glycerin combats dryness and improves manageability. Essential oils of orange, lemon, and bergamot toning action on the scalp, providing a refreshing effect.

Suitable for all hair types

Unisex – ideal for both men's and women's looks
