

n.10 BE SMOOTH MASK

ACTION

is indicated for straight, unruly, frizzy hair and also after any straightening treatment.

The high concentration of Rice Bran Oil provides emollient, hydrating, anti-inflammatory, anti-radical and strenghtening properties owing to the presence of Gamma Oryzanol, which also act as a natural sun filter. The addition of a combination of specific active ingredients reduces the volume of the hair, maintaining a perfect smoothness at each wash.

HOW TO USE

Apply to damp hair (washed and towel-dried from excess water), massage in for 3-5 minutes, comb through and then rinse thoroughly.

AROMATHERAPY

Fortifying, relaxing, soothing effect.
